

The E_MOTION light collection is characterized by pure and essential lines: the circle, symbol of geometric perfection, incorporates the archetype of the conical lampshade. The name joins two conceptual ideas that directed the project research: "E" like emotion and "_MOTION" like movement to indicate the close relationship between emotion and movement.

DESCRIPTION

Wall lamp with indirect light.
Cotton and pvc lampshade.
Disc in opaque PMMA.
Painted metal structure. Suspended with steel cable.
Red decorative electric cable.
