

The unusual elliptical shape which remembers an orbital route, together with the decentralized anchorage point confer to ORBIT a feeling of mutable immobility. Available in a unique dimension 30 cm and H. 22 cm. The original design is completed by the characteristic power cable covered by red fabric. ORBIT, thanks to its dynamic lines, allows the creation of compositions and original games of light. The collection ORBIT is composed of several suspension compositions, floor lamp and table lamp that makes the system proper for the use in large spaces, too.
